Subject to you meeting the Eligibility Requirements, as stated in Part 1, and in consideration for the full and correct premium received, the insurer will insure you against eligible expenses incurred as the result of an emergency, or pay benefits for other covered losses in accordance with the benefits under the heading "Part 3 - Benefits." All benefits and payments are subject to the terms, conditions, limitations and exclusions of this policy. The maximum period of coverage under this policy shall not exceed 12 consecutive months. Acceptance of the application form and coverage under this policy is at the insurer's option. If your application form is not accepted, you will receive a full refund of your premium paid.

Your spouse, your blood relations if travelling with you or your substitute decision maker are appointed to act on your behalf in the event that, because of an emergency, you are unable to make the necessary decisions with respect to your health status.

Prior to your policy effective date you must complete, sign and date your application, and the correct premium must be paid in full. No coverage will be provided to anyone not named on the application form. Coverage begins at 12:01 AM on your policy effective date and terminates at 11:59 PM on your policy expiry date.

Your policy coverage may be declared null and void if:

Our liability under this policy is limited solely to the payment of eligible benefits, up to the maximum amount specified herein, less any applicable deductible amounts, for any loss or expense. The insurer does not assume responsibility for the availability, quality, results or outcome of any treatment or service covered under the terms of this policy.

You must, at all times while you are covered under this policy, act in a prudent manner so as to minimize costs to the insurer.

Any provision of this policy which is in conflict with any federal, provincial or territorial law of your province or territory of residence is hereby amended to conform with the minimum requirements of that law, and all other provisions shall remain in full force and effect.

All premiums, benefits, and limits are quoted in Canadian currency unless otherwise specified.

At the option of Allianz Global Assistance, benefits may be paid in the currency of the country where the loss occurred. If currency conversion is necessary, the exchange rate in effect on the date the service was supplied to you will be used.

PART 3 BENEFITS

Coverage under this policy is subject to the terms, conditions, limitations and exclusions contained herein and will begin on the policy effective date specified on the application form. Coverage will terminate on the earlier of the policy expiry date specified on the application form or the date you return to your province or territory of residence.

The insurer will pay for eligible expenses up to the maximum limit shown in Part 3 - Benefits, less any applicable deductible amounts, for the reasonable and customary expenses related to the medical attention you need during your trip due to an emergency, when these expenses are not covered by your Government health insurance plan (GHIP) or any other insurance coverage you have in force. If applicable, you are responsible for paying the deductible amount shown on the application form for the covered expenses of each claim. Original, itemized receipts or invoices are required for all claims.

You must notify Allianz Global Assistance at 416-340-0049 (collect) or 1-800-995-1662 within 24 hours of any emergency medical treatment. Failure to do so limits benefits payable to:

Following an emergency, when medical evidence supports you are medically fit to travel, Allianz Global Assistance, in consultation with your attending physician, reserve the right to transfer you to any hospital or to return you to your province or territory of residence prior to any further treatment. If you refuse to do so, then any continuing costs, incurred

after your refusal, with respect to such emergency will not be covered and all coverage and benefits for that medical condition under this policy will cease.

If you elect to return to your province or territory of residence for further treatment and then travel again, any further expenses incurred relating to the medical condition for which you returned will not be covered.

Our policy allows you to make a temporary return to your province or territory of residence during the period of coverage. If you receive medical treatment during this temporary return to your province or territory of residence, any treatment relating to that medical condition will not be covered for the remaining period of coverage.

The emergency medical attention you receive must be outside of your province or territory of residence and be required as part of your emergency treatment and ordered by a physician (or a licensed dentist).
